Welcome to the 2nd edition of our **2017** Trading List.

We reopen on 29th January with a **'Potato Day'** when there will be **10%** discount on all seed potatoes. Mix 'n' match and smaller quantities will be available for those who wish to try out different varieties or have small gardens. There will also be advice on which varieties to choose and how to grow them. To keep you warm, we will be serving **free** leek and potato soup while supplies last.

The 2017 **Dobies** catalogue is available in-store, with the usual LDGA discount of **50%** on seeds and **15%** on all other items including plug plants. Ask in store and get the group scheme order form with its unique order code. All 2015 seeds are 10p per packet and all 2016 seeds are 50% off while stocks last.

Organic gardeners, we have now highlighted all the products that we believe are suitable for you to use, look out for the **O** symbol. For bird lovers we now stock bird food.

All prices are correct at the time of printing but due to continuous fluctuation they are subject to alteration without prior notification to members. Check out our website for **price comparisons** with other local retailers.

Purchases at the store may be made by **members only** (please show your 2017 membership card). You may renew or take out new memberships at the store.

All payments must be by **cash or cheque only**. We are unable to accept credit or debit cards.

Store helpers are always on hand to give assistance with loading cars etc. They are also able to give advice on all the products available in store.

Let us have your **feedback** about the Trading Store. Tell us which of the products you buy most and what you would like to see stocked next year.

E&OE.
