

*baldock horticultural society  
coach trip to eastbourne  
thursday 10<sup>th</sup> august 2017*

Eastbourne has a number of pristine gardens on the promenade and in the town. You will be able to explore the town at your leisure. We will initially drop off in Eastbourne those who do not wish to go to Beachy Head. For those willing to continue, the coach will proceed up to Beachy Head where we will spend about one hour admiring the view, perhaps going for a stroll or having some refreshments in the cafe. We will then return to Eastbourne for the rest of the day.
