

NEWSLETTER SPRING 2019

Letchworth Garden City Heritage Foundation invites residents close to Talbot Way and Kristiansand Way to get involved with phase two of our consultation on the future of Letchworth.

In autumn 2018, we held the first phase of our consultation on the future growth of our town. We wanted to start a town-wide conversation about what is great about Letchworth, what people love about living and working here, and how we could improve our town in line with Garden City Principles.

We are really grateful to everybody who got involved. A full feedback report for the whole of the phase one consultation is available on our website – www.letchworth.com/consultation

We have now launched our second phase of consultation on growth in Letchworth which focuses on sites allocated for

development in the emerging North Herts District Council Local Plan. This includes LG3: Land East of Talbot Way and Kristiansand Way, as shown in the map below.

The policy in the emerging local plan specifies the following:

LG3 – LAND EAST OF KRISTIANSAND WAY AND TALBOT WAY

- Up to 120 homes
- 40% affordable housing
- Retention of existing allotments
- Vehicular access via Flint Road
- Comprehensive landscaping scheme

YOU ARE INVITED TO THE CONSULTATION EVENT

We are keen to ensure you have the opportunity to provide feedback about plans for the site. Please join our special drop-in event for residents close to LG3 on:

21st May 2019 - 5pm until 8pm

This will take place at **The Three Horseshoes at Norton, 102 Norton Road, Letchworth, Hertfordshire, SG6 1AG.**

At the event you will be able to comment on initial development ideas, the landscaping strategy, make suggestions to our designers and anything else you think we should know.

You can also speak to our transport team about any concerns and opportunities for better public transport and cycle routes. This is in addition to the special transport session on 8th May at the Heritage Foundation's new offices, One Garden City, on Broadway Gardens (next to Morrisons supermarket).

WE WANT YOUR FEEDBACK

 Come and speak to us at one of our events

Design Competition

If you are interested in the views of leading architects on the design of modern Garden Cities, using our site to the north of Letchworth as a case study, you can get involved with judging a design competition undertaken in partnership with the Royal Institute of British Architects. The four leading entries will be available to see at the Heritage Foundation's office at One Garden City, Broadway, Letchworth Garden City, SG6 3BF (next to Morrisons supermarket) weekdays from 10th to 26th April – between 9am and 5pm, and Thursday 25th April between 4:30pm and 7:30pm. They are also on our website. You can give your views and vote on your favourite entry, which will form part of the judging process.

COME TO OUR OTHER EVENTS AS WELL
